NEW PRODUCTS

SRFERRET-FERRET WIFI

The Ferret WiFi is a Small lightweight IP67 Rechargeable USB charged wireless 720p camera. It comes with a free easy to use mobile app, enabling you to take pictures, videos and they save direct to your mobile device. Route through dark confined places with the 6 Bright White LED's for better visibility helping you to investigate, locate or diagnose and fix problems. The Ferret is compatible with Super Rod attachments.

SRJK-PLUS-CABLE JACK PLUS

The lightweight design is easy to set up and folds away flat for convenient storage. The three poles provided, hold up to 70kg of most standard cable sizes. It can also be used as a portable pipe vice or work bench for general cutting or drilling applications. The handles enable you to move cable with ease.

SR-QR-QUIKREEL

Quikreel is designed on the principle of a spinning top, allowing the user to easily load and draw cable from the reel. This enables the reel to rotate on its own axis, whilst remaining stationary. It can be used with most popular cable reels and to repair damaged cable drums.

NEW PRODUCTS

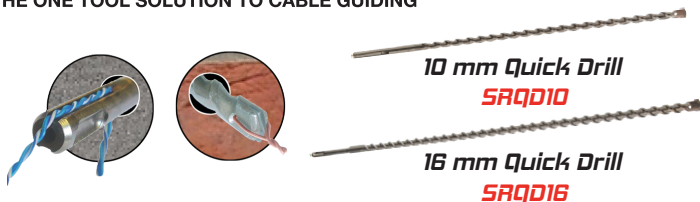

SRCT-PRO-CABLE TONGUE PRO

The Cable Tongue Pro is designed for pulling cables through walls, above ceilings and below floors and it can be used with a range of super rod attachments.

QUICK DRILLS

THE ONE TOOL SOLUTION TO CABLE GUIDING

Why buy several tools when you can use just one. Users can drill a cavity wall in the normal way, connect the cable and pull it through the cavity.

SLEEVED QUICK DRILLS

22 mm Sleeved Quick Drill - **SRSDQ22**

28 mm Sleeved Quick Drill - **SRSDQ28**

4x Quick Sleeves - 22 mm - **SRSQS22**

4x Quick Sleeves - 28 mm - **SRSQS28**

Drill bit and sleeve technology that simplifies passing of cable or pipe through cavity walls. Secure Installation and the sleeve compacts and locks on entry to create a clear passage for service installs.
