WIRELESS INSPECTION CAMERA - WITH ON-BOARD MEMORY

SRCAMV6.5MAX

Work safer and smarter by streaming high resolution to your smart device in real time for up to 20m. Also record anytime/anywhere even when the WiFi signal is out-of-reach. Maximise storage with the on-board memory card, even if smart device storage is full.

On-board memory when WiFi signal out-of-reach

Wireless range up to 20m live streaming

- In line of sight

Always up viewing mode

- When the camera rotates, the image stays the right way up (when selected in settings)

60 min fast charge

- Fully charged in 1h with Type-C USB quick charge

Auto/manual focus

- Long press icon for manual adjustments

Non-contact voltage detector

- Audio & visual alert, 50V-1000V AC

IP67 dustproof and waterproof

- Only when back cap is securely fastened

Built-in WiFi hotspot

- Provides a high resolution live stream up to a 20m range

Record video with sound up to 20m

- Accurate inspection reports for your customers
